

# SAML Metadata Registry

SWAMID includes both Identity Providers and Service Providers registered directly in SWAMID or imported from the interederation eduGAIN. The lists below are generated from federation [metadata](#).

- [SWAMID Member Identity Providers](#)
- [SWAMID Identity Providers including interfederations](#)
- [SWAMID Service Providers including interfederations](#)
- [edugain interederation service upstream](#)
- [Service Providers with specific configuration](#)
